

Personnel Consulting Transfer of Personnel Online Job Market

Our Portfolio

Personnel Consulting

We are consultants: Based on many years of expertise, we will discuss your specific market situation, opportunities, timelines and the processes for filling vacancies successfully with you.

We are recruiters: In addition to the common tools of recruitment, we go the extra step of finding the right employee for you with a complete package according to your specifications.

- Placing advertisements
- Database research
- Networking
- Identification of suitable candidates via business portals such as XING and LinkedIn
- Professional headhunting

We would be happy to talk to you about your unique vision and provide you with a tailor-made offer on request.

Consulting

Do you want to found your own school, start a kindergarten or reorganize and expand your already successful business? Then benefit from **LehrCare's** over **fifteen years** of expertise in education. In close cooperation with our long-time experienced partner, **Frech Consulting**, we assist you in realizing your personal vision perfectly.

We would be happy to provide you with successful reference projects on request.

Temporary staff transfer

- You have to issue a ban on employment due to maternity protection, compensate for parental leave or illness-related absence at short notice? We are here to help.
- You already found the perfect candidate for your vacancy, but are uncertain whether to hire him straight away or first test him beyond the statutory trial period? We assist in finding the right solution for your needs.
- You only have a part-time position available and would like to share your employee with another institution in your area? Together we find the best staff transfer concept.

We recruit the right employee according to your profile specifications and let you have the specialist or manager for the period of your choice.

You can transfer our employees to your regular team at any time.

References

»We have been using the services of **LehrCare** GmbH since 2013. We are responsible for day care centers and an all-day school for reform education. In our ongoing search for qualified specialists, we have been continually supported by **LehrCare**'s expert team. As part of our professional search, in collaboration with **LehrCare** we found a highly qualified head for the primary school area of our cooperative comprehensive school »Stella« in Neubrandenburg.«

Carmen Fuchs, interior manager, International Confederation, Private Institution for youth, social and educational work, registered association, Mecklenburg-Vorpommern

»We are very happy with your service. In an extraordinarily difficult subject (social pedagogy), we were able to win over a colleague who has now also taken over the course management in our vocational college. We thank you and look forward to further cooperation.«

Dieter Schulze, Headmaster, Workshop vocational college, Unna, North Rhine Westphalia

»The positive experiences I had with **LehrCare** in the recruitment of teachers in the foreign school system induced me to contact Dr. Köbke for my own search for a new occupation. The diligence in the selection of the offers and the comparison of the requirement profiles were extremely professional. The support until the conclusion of the contract and beyond was excellent as always.«

Managing Director, International School, Hesse
