LehrCare GmbH – Portfolio

Reach over one million specialist teachers and educators with us!

With a coverage of over one million candidates and nationwide as well as international recruitment contracts, www.lehrcare.de is not only the most visited site for jobseekers from the educational environment, but also Germany's leading personnel consultancy specialized in staffing exclusively for school and preschool education providers.

As a client, you have more than one option targeting your specific needs:

1. EXPERT ADVERTISEMENT OPTION, aimed exclusively at school and preschool professional and managerial staff.

Your ads appear either on lehrcare.de, in our monthly **Newsletter**, on **Facebook**, **Twitter** and **Instagram** as well as on **4teachers.de**, **news4teachers.de**, **lehrer-news.de**, **jooble.org**, **talent.com**, **Xing** and as an Extra-Option in the **4teachers-Newsletter**.

2. PERSONELL CONSULTING for a fixed price:

In addition to the common tools of recruitment, we go the extra step to find the right employee for you by offering you a complete targeted package. Personnel consulting with **LehrCare** not only means placing advertisements, database research and networking, but also identifying suitable candidates through social networks such as Xing, LinkedIn and professional headhunting.

We are happy to make you an individual offer at any time.

3. Our TEMPORARY STAFF TRANSFER concept:

We recruit the right staff according to your profile specifications and transfer them to you. A takeover into your team is possible at any time.

4. CONSULTING:

You want to start up a school or kindergarten or reorganize or expand your already successful business? Then benefit from **LehrCare's** more than **15 years** of education expertise. Together with our longtime experienced partner, **Frech Consulting**, we support you in realizing your vision.

Contact us. We are happy to advise you: **+49(0)30 23 63 77 63**.
